Ref.C.No.7182/A2/43. NE 1911

South Kanara Collector's Office,
Mangalore, 9th November 1943.

From

Karamatullah, Esq., I.C.S.,
Collector of South Kanara

N1570

To

The Secretary to the Board of Revenue,
Land Revenue & Irrigation, Madras

Sir,

Establishment - Temporary.- (South Kanara) - maintenance work - five additional Taluk Surveyors and Chainmen - employment - retention - recommended.

7-1824-(1) W2

The Government in their order No.Ms.2373 Rev.Dept., dated 19.10.43 were pleased to sanction the employment for a period of one year from the date of appointment of five additional Taluk Surveyors on Rs.28/- each a month and five additional Chainmen on Rs.12/- each a month to attend to the maintenance work in the five Taluks of Udipi, Karkal, Kasargod, Puttur and Mangalore. The dates on which the additional Taluk Surveyors were entertained are furnished below:-

Udipi from 10.1.1943.
Karkal from 1.4.1943.
Puttur " 4.3.1943.
Kasargod " 4.5.1943.
Mangalore " 16.1.1943.

2. Statements showing the current maintenance work (average for 5 years) and the balance of work outstanding in the various taluks on 1.9.1943 are enclosed. Though the work in Karkal Taluk is the least compared with the others, there are many new fields to be formed in darkhast cases and the additional Surveyor will have sufficient work. Though the ban on assignments is in force, the ban on assignment of kumki lands has since been removed. There will therefore be no appreciable reduction in the work of the Surveyors.

The work in the Puttur Taluk which is extensive and hilly will require the services of two additional Taluk Surveyors as against one now working. It is therefore proposed to divert one of the additional Taluk Surveyors working in lighter Taluks to Puttur for some time to reduce the pendency there. I, therefore, recommend the retention of the five additional Taluk Surveyors and the five additional Chainmen till 31.3.1945.
